Dear honourable Chris Agius

I refer to today's parliamentary committee on the estate agents act.
I wish to bring it to the committees attention that the federation of estate agents is administers by myself , ian casolani, kevin buttigieg , and trafford Busuttil as can be confirmed by the attached deed of enrolment with the registrar for legal persons. The federation is currently inactive but continues to pay its dues to identity malta as attached.

The federation has not authorised anybody to represent it at todays meeting and anybody claiming representation can only represent themselves in their personal capacity.
