## INTRODUCTION

- Economic similarities between Malta and Gozo
- Both exposed to tourism but more so for Gozo also due to its double insularity
- Government stimulus through voucher to mitigate against adverse shock for Gozo (substitution effect)
- Potential new opportunities for Gozo including digital nomads/ remote workers

2

## MICRO-INVEST

- Preferential treatment in terms of aid granted justified on economic grounds due its periphery
- Those applying will be given part of the assistance as a cash grant
- Gozo based maximum €2,500 cash compared to €2,000 for Malta based SMEs
