Dear Ms. Brincat,

On behalf of Siemens Project Ventures GmbH, any request for cooperation to German based entities by foreign authorities should go through the established process, this is, the Maltese authorities should contact the German authorities who will then request the information to Siemens Project Ventures GmbH.

Siemens will, as it did in the past, of course instantly and fully cooperate with the authorities in handling such a request.

Regards

Mit freundlichen Grüßen
Alejandro Sánchez Hernández

The Board of Directors
ElectroGas Malta

At the meeting of the Standing Committee on Public Accounts, held yesterday 16th June, it was agreed that the request for documents which was earlier made to Mr Apap Bologna, i.e. a copy of the minutes of all meetings of ElectroGas Malta Limited (C 60775) since its inception until today, is to be directed to you because, as stated by Mr Apap Bologna himself, he is no longer a director of ElectroGas Malta Ltd and therefore does not have access to the said documents.

It is requested that these documents be sent to me, on this e-mail address, as soon as possible.

Whilst thanking you I send you my best regards.
