231. Il-Viċi Prim Ministru Ministru għall-Affarijiet Barranin l-Onor. Guido de Marco jipproponi:

Illi l-Ordni Permanenti Nru 173 jiġi hekk emendat:

Immedjatament wara l-paragrafu li jagħlaq bil-kliem "riprodotti fil-ġurnali tal-Kamra", jiġi inserit il-paragrafu segwenti:

"Is-seduti tal-Kamra tad-Deputati għandhom jixxandru sħaħ u diretti bir-radju mis-Servizzi Pubbliċi tax-Xandir.

L-iSpeaker jista' jordna l-interruzzjoni ta' dawk ix-xandiriet meta, fl-opinjoni tiegħu, hekk ikun meħtieġ.

Fil-każ ta' seduti miżmuma bil-magħluq il-Kamra tista' tordna li dawn is-seduti ma jixxandrux.".

That Standing Order No 173 be so amended:

Immediately after the paragraph concluding with the words "reproduced in the journals of the House", the following paragraph shall be inserted:

"Sittings of the House of Representatives shall be broadcast in their entirety on radio by live transmission by the Public Broadcasting Services.

The Speaker may order the interruption of such transmissions whenever, in his opinion, such interruption is necessary.

The House may order that, in the case of sittings held behind closed doors, such sittings be not broadcast.".

L-Onor. George Vella ressaq din l-emenda "A":

Minnufih wara l-ewwel paragrafu għandu jitniżżel dan il-paragrafu:

> "Is-seduti tal-Kumitat tal-Kontijiet Pubbliċi għandhom jixxandru sħaħ mis-Servizzi Pubbliċi tax-Xandir, u dan mhux f'mod dirett fil-każi meta l-Kumitat tal-Kontijiet Pubbliċi jkun qiegħed jiltaqa' fl-istess ħin bħas-seduti tal-Kamra tad-Deputati, u f'mod dirett f'każi oħra."

- u bl-Ingliż qed tgħid hekk:

Immediately after the first paragraph insert the following:

> "Sittings and the Public Accounts Committee shall be broadcast by live transmission in their entirety by the Public Broadcasting Services, and "recorded" when the Public Accounts Committee is meeting at the same time that the House of Representatives is in session.".
