Hon. Dr Anglu Farrugia
Speaker of the House of Representatives

By email through the Clerk of the House

Hon. Mr Speaker,

OECD report on asset declarations and other documents

Please find attached a report prepared by the Organisation for Economic Cooperation and Development (OECD) concerning the declaration of assets and interests by members of Parliament and ministers in Malta. This report, which is still to be finalised, reviews the mechanisms by means of which MPs and ministers present declarations of assets and interests and those declarations are subsequently verified. The report makes recommendations to strengthen the asset declaration system in the light of practices in other countries.

The report is being forwarded in order that you may have the opportunity to present feedback to the OECD, if you wish to do so, before it is finalised. Any such feedback should be sent to Alice Berggrun (alice.berggrun@oecd.org) and Pauline Bertrand (pauline.bertrand@oecd.org) by not later than **Friday 7 July 2023**.

Please also find attached, for your information, presentations that were delivered at the workshops organised by the OECD during its mission to Malta between 30 May and 1 June 2023.

Yours sincerely,

Charles Polidano
Director General
Office of the Commissioner for Standards in Public Life
