Dear Mr Mahoney,

With regards to highlighted points, we already mentioned that data relating to payments is commercially sensitive.

Management accounts will not be required as audited accounts will be provided.

Hence, 2022 is already presented to Parliament. 2023 should be presented in the coming weeks.

Kind Regards,

This is what I found from your end dated 25/2/25. It refers only to an explanation re clarification on the 7.2 million.

You also confirmed that the 2023 audited accounts are still being finalised.

But what about the documentation highlighted hereunder?
