Learn more about Gozo FC...

Gozo FC was set up in 1987 and in which year they were playing as a Third Division team with the MFA. In their first season they finished in fourth place with a total of fourteen points out of twelve matches. In their second season they finished in 5th place with ten points out of twelve matches. In 1989/90 they held the same position as the above-mentioned division with thirteen points out of fourteen matches. In the following two seasons they finished in the 6th place with eight points out of twelve games. In 1992/93 they were the winners of the third division in Sector A with 21 points out of twelve matches, and although they lost the Championship decider they managed a promotion to the Second Division. The following season saw them into second place of Sector A.
