Onor. Ray Abela  
Chairman  
Kumitat għall-Informatika, Teknoloġija u Intelligenza Artifiċjali

Nagħmel referenza għall-komunika ta' hawn taht dwar l-inizjattiva tiegħek sabiex flimkien mal-Università ta' Malta tkun organizzata sessjoni ta' informazzjoni għall-Membri Parlamentari u l-istaff tal-Parlament dwar kif dawn jistgħu jibbenfikaw mill-użu tal-għodda tal-intelligenza artifiċjali fil-ħidma tagħhom.

Tkellimt mal-Ispeaker li talabni ninfurmak illi jappoġġja b'mod sħiħ din l-inizjattiva għaliex jirrikonoxxi l-kontribut li tista' tagħti l-IA fil-ħidma parlamentari u jaqbel mal-proposta tiegħek sabiex issir sessjoni għall-Membri u l-istaff f'Jannar li ġej.

Huwa talabni sabiex flimkien miegħek nagħmel l-arranġamenti neċessarji sabiex din is-sessjoni tkun tista' ssir fil-binja tal-Parlament.

Inselli għalik

Eleanor Scerri  
Skrivan tal-Kamra

**Subject: Request for Authorisation and Official Correspondence Regarding the AI Workshop for Parliamentarians**

Dear Mr Speaker,

I hope this message finds you well.

Further to the positive confirmation and support received from the University of Malta and the Faculty of ICT regarding the AI Workshop for Parliamentarians and Parliamentary Staff, I am kindly writing to request your formal authorisation for this initiative to proceed under the auspices of Parliament and the University of Malta, Faculty of ICT and the AI Department.

In light of this development, I would greatly appreciate receiving an official written correspondence confirming your approval and satisfaction with this initiative. This correspondence will be presented to the Committee Chairman and included/ read in the formal documentation during the first sitting of the Parliamentary Committee for AI and Digital Affairs, scheduled for **Tuesday, 2nd December 2025**.

If possible, I would also welcome a short acknowledgment within your communication, even during the plenary, to recognise and hail the efforts and dedication of Hon. Ray Abela in contributing to the technological advancement of Malta's Parliament. Having such a technological expert as a Member of Parliament is an asset to our institution, and I am confident that his continued input and expertise will greatly benefit Parliament—not only in his role as Chair of the Parliamentary Committee for AI and Digital Affairs, but also as a leading spokesman on AI, Digital Affairs, and Digital Education.

Given the importance of this workshop in strengthening the digital and AI readiness of Members of Parliament and Parliamentary staff, I would also appreciate if you could kindly endorse this initiative and highlight the value of this investment in the institution's future preparedness.

Thank you in advance for your consideration. Please let me know if any additional information is required.

Warm regards,

## Onorevoli Ray Abela

Membru Parlamentari

Dear Hon. Abela,

Good afternoon.

Thank you very much for your time to visit the Faculty of ICT.

I will discuss with Matthew and propose a program for the workshop.

Best regards,

Carl

### **Subject: Thank You for Our Meeting and Confirmation of AI Workshop for Parliamentarians**

Dear Professor Debono,

I would like to sincerely thank you for welcoming me during my visit to the University of Malta. It was a pleasure meeting you and Professor Montebello, and I truly appreciate the constructive discussion held regarding our future collaboration.

As agreed during our meeting, we will be organising an informative **AI Workshop for Parliamentarians and Parliament staff, including the speaker**, to be held at the Parliament building over a three-hour session in January, between **1:00pm and 4:00pm**, on either **Monday, Tuesday, or Wednesday**, depending on the date that works best on your end. I also intend for all MPs who attend to receive a **Certificate of Attendance** on the same day or on a date determined by the Speaker.

I would also like to express my gratitude that the **Faculty of ICT will be offering this workshop free of charge**, and that you will be providing an **expert in the field** to deliver this important session. With regard to the workshop content, I will gladly leave the structure in your hands; however, I would recommend that the core focus outlines **how AI can support Members of Parliament in their legislative, research and policy work**.

I kindly ask you to confirm these arrangements from your side, as our intention is to announce this initiative by the end of this week or early next week. I also seek your approval to publicly state that this workshop is being organised **with the support and collaboration of the University of Malta, the Faculty of ICT, and the Department of AI.**

Thank you once again for your time, collaboration, and commitment toward strengthening digital and AI readiness across our institutions. I look forward to your confirmation.

Warm regards,  
**Ray Abela MP**
