Article 5

Operations in International Waters

1. Authority to Board Suspect Vessels. Whenever the Security Force Officials of one Party (“the requesting Party”) encounter a suspect vessel claiming nationality in the other Party (“the requested Party”) located in international waters, the requesting Party may request through the Competent Authority of the requested Party, that it:

Each request should be in writing and contain the name of the suspect vessel, sufficiently reliable information forming the basis for the suspicion, the geographic position of the vessel, the IMO number if available, the homeport, the port of origin and destination, and any other identifying information. Article 4

Operations in and over National Waters

This Agreement does not authorize the conduct of operations to suppress proliferation by sea by one Party in and over the waters of the other Party.

Article 5

Operations in International Waters

1. Authority to Board Suspect Vessels. Whenever the Security Force Officials of one Party (“the requesting Party”) encounter a suspect vessel claiming nationality in the other Party (“the requested Party”) located in international waters, the requesting Party may request through the Competent Authority of the requested Party, that it:

a. confirm the claim of nationality of the suspect vessel; and

b. if nationality is confirmed:

- i. authorise the boarding and search of the suspect vessel, cargo, and persons found on board by Security Force Officials of the requesting Party; and
- ii. if evidence of proliferation is found, authorize the Security Force Officials of the requesting Party to detain the vessel, as well as items and persons on board, pending instructions conveyed through the Competent Authority of the requested Party as to the actions the requesting Party is permitted to take concerning such items, persons and vessels.

Each authorization to act shall be in writing between the Competent Authorities. Nevertheless, in urgent circumstances, an authorization to act may be granted orally by the Competent Authority of the requested Party. An oral authorization to act shall be confirmed in writing forthwith by the Competent Authority.

2. Contents of Requests. Each request should be in writing and contain the name of the suspect vessel, sufficiently reliable information forming the basis for the suspicion, the geographic position of the vessel, the IMO number if available, the homeport, the port of origin and destination, and any other identifying information. Nevertheless, in urgent circumstances, a request may be made orally, but shall be confirmed in writing forthwith.

The requested Party shall acknowledge to the Competent Authority of the requesting Party in writing, by e-mail or by facsimile, its receipt of any written or urgent oral request immediately upon receiving it.

3. Responding to Requests

- a. If the nationality is verified and the requested Party is satisfied with the basis for suspicion that the vessel is a suspect vessel, and that the information provided by the requesting Party is sufficiently reliable, the requested Party may:
 - i. decide to conduct the boarding and search with its own Security Force Officials;

- ii. authorize the boarding and search by the Security Force Officials of the requesting Party, subject to conditions if deemed appropriate;
 - iii. decide to conduct the boarding and search together with the requesting Party;
or
 - iv. nevertheless, deny permission to board and search.
 - b. The requested Party shall answer through its Competent Authority requests made for the verification of nationality and authorization to board within four hours of its acknowledgement of the receipt of such requests unless the requested Party requests additional time to answer.
 - c. If the nationality is not verified or verifiable within the four hours, the requested Party shall, through its Competent Authority:
 - i. nevertheless stipulate that it does not object to the boarding and search by the Security Force Officials of the requesting Party; or
 - ii. refute the claim of the suspect vessel to its nationality.
 - d. Either Party, consistent with the other provisions of this Agreement, may subject its authorization under this paragraph to conditions, including obtaining additional information from the requesting Party, and conditions relating to responsibility for and the extent of measures to be taken. Information to be provided in response to such a request shall be exchanged in a timely manner by the Competent Authorities; however, the requesting Party may notify the requested Party if it is providing additional information through established information sharing channels.

- 4. Right of Visit. Notwithstanding the foregoing paragraphs of this Article, the Security Force Officials of one Party (“the first Party”) are authorized to board suspect vessels claiming nationality in the other Party

that are not flying the flag of the other Party, not displaying any marks of its registration or nationality, and claiming to have no documentation on board the vessel, for the purpose of locating and examining the vessel's documentation. If documentation or other physical evidence of nationality is located, the foregoing paragraphs of this Article apply. If no documentation or other physical evidence of nationality is available, the other Party will not object to the first Party assimilating the vessel to a ship without nationality consistent with international law.

5. Use of Force. The authorization to board, search and detain includes the authority to use force in full compliance with the provisions of Article 11 of this Agreement.

6. Shipboarding Otherwise in Accordance with International Law. This Agreement does not limit the right of either Party to conduct boardings of vessels or other activities consistent with international law whether based, *inter alia*, on the right of visit, the rendering of assistance to persons, vessels, and property in distress or peril, or an authorization from the Flag or Coastal State, or other appropriate bases in international law.

In a zone contiguous to its territorial sea, described as the contiguous zone, a Party may exercise the control necessary, *inter alia*, to prevent the infringement of its customs, fiscal, immigration or sanitary laws and regulations within its territory or territorial sea. In all cases not covered by Article 5 involving the vessel of

SUBSTANCES BY SEA**

The Government of the Republic of Malta and the Government of the United States of America (hereinafter, “the Parties”);

Bearing in mind the special nature of the problem of illicit maritime drug traffic;

Having regard to the urgent need for international cooperation in suppressing illicit maritime drug traffic, which is recognized in the 1961 Single Convention on Narcotic Drugs and its 1972 Protocol, in the 1971 Convention on Psychotropic Substances, in the 1988 United Nations Convention Against Illicit Traffic in Narcotic Drugs and Psychotropic Substances (hereafter, “the 1988 Convention”), and in the 1982 United Nations Convention on the Law of the Sea; and

Have agreed as follows:

Article 1

- g) “suspect vessel” means a vessel, claiming the nationality of one of the Parties, used for commercial or private purposes in respect of which there are reasonable grounds to suspect it is engaged in illicit traffic in narcotic drugs and psychotropic substances.

Article 3 Suspect Vessels

Operations to suppress illicit traffic in narcotic drugs and psychotropic substances pursuant to this Agreement shall be carried out only against suspect vessels and vessels without nationality.

Article 4 Operations in and over National Waters

This Agreement does not authorize the conduct of operations to suppress illicit traffic in narcotic drugs or psychotropic substances by one Party in and over the waters of the other Party.

Article 5 Operations in International Waters

1. Authority to Board Suspect Vessels. Whenever the law enforcement officials of one Party (“the requesting Party”) encounter a suspect vessel claiming the nationality of the other Party (“the requested Party”) located in international waters, the requesting Party may request that the law enforcement authority of the requested Party:

- a) confirm the claim of nationality of the requested Party; and
- b) if such claim is confirmed:
 - (i) authorize the boarding and search of the suspect vessel, cargo and the persons found on board by law enforcement officials of the requesting Party; and

(ii) if evidence of illicit traffic in narcotic drugs and psychotropic substances is found, authorize the law enforcement officials of the requesting Party to detain the vessel, cargo and persons on board pending instructions from the law enforcement authorities of the requested Party as to the exercise of jurisdiction in accordance with Article 6 of this Agreement.

2. Content of Requests. Each request should contain the name of the suspect vessel, the basis for the suspicion (including all facts and other information on which the suspicion is based), the geographic position of the vessel, the registration number if available, home port, the port of origin and destination, and any other identifying information. If a request is conveyed orally, the requesting Party shall confirm the request in writing as soon as possible.

3. Responding to Requests

(a) If the nationality is verified, the requested Party may:

(i) decide to conduct the boarding and search with its own law enforcement officials;

(ii) authorize the boarding and search by the law enforcement officials of the requesting Party;

(iii) decide to conduct the boarding and search together with the requesting Party; or

(iv) deny permission to board and search.

(b) The requested Party shall answer requests made for the verification of nationality within four (4) hours of the receipt of such requests.

(c) If the nationality is not verified within the four (4) hours, the requested Party may:

(i) nevertheless authorize the boarding and search by the law enforcement officials of the requesting Party; or

(ii) refute the claim of the suspect vessel to its nationality.

(d) If there is no acknowledgement or response to a written request pursuant to paragraph 2 from the requested Party within four (4) hours of its receipt of the request, the requesting Party will be deemed to have been authorized to board the suspect vessel for the purpose of inspecting the vessel's documents, questioning the persons on board, and searching the vessel to determine if it is engaged in illicit traffic.

4. Right of Visit. Notwithstanding the foregoing paragraphs of this Article, this Agreement authorizes the law enforcement officials of one Party ("the first Party") to board suspect vessels located in international waters claiming nationality in the other Party but that are not flying the flag of the other Party, are not displaying any marks of its registration or nationality, and claiming to have no documentation on board the vessel, for the purpose of locating and examining the vessel's documentation. If documentation or other physical evidence of nationality is located, then the foregoing paragraphs of this Article apply.

5. Use of Force. The authorization to board, search and detain includes the authority to use such force as may be necessary in accordance with Article 10 of this Agreement.

6. Shipboarding Otherwise in accordance with International Law. Except as expressly provided herein, this Agreement does not apply to or limit boardings of vessels, conducted by either Party in accordance with international law in international waters, whether based, *inter alia*, on the right of visit, the rendering of assistance to persons, vessels, and property in distress or peril, the consent of the vessel master, or an authorization from the flag State to take law enforcement action.
