Subject: RE: Commission Work Programme 2016 - Presentation by Commissioner Vella

Dear Eleanor,

Further to our exchange below, we have spoken to the Commissioner and now have a more stable overview of his mission programme. The Commissioner will be flying in on Thursday 17th March in the evening and will have a one-day mission on Friday 18th during which he will also be addressing a conference, probably in the afternoon. We are therefore proposing to have the presentation of the CWP 2016 on Friday 18th in the morning. He will also take the opportunity to present a state of play of the key initiatives in his portfolio, particularly in the environment part of it.

I would be grateful if you could kindly confirm availability and indicate the preferred time (maybe late morning?), in order help ensure good participation and representation of the two sides of the House. Will it be the EU and Environment Committees that will be invited?

While looking forward to hearing from you, I send my best regards from Brussels
Gabriella
