Subject: Attn: Social Affairs Committee - Requesting a date - Invitation for Breakfast meeting

Dear Hon. Grech,

My name is Mario and work for JRS Malta, where I coordinate an employment programme for refugees and asylum seekers. We have been running this programme for more than a year now, and throughout this process we collected data, information and experiences, we would like to share with the Social Affairs Committee.

Our plan is to invite the members of the Social Affairs Committee to a breakfast meeting, together with key employers we collaborate with, and refugees and asylum seekers themselves. The aim is to discuss opportunities and barriers stakeholders face when they try to establish an employment relationship.

I am writing this email to enquire about dates suitable for the Social Affairs Committee, for us to organise this breakfast meeting. Official invitations will follow after date is agreed upon. Would a date in September work for you?

Thanks and regards
Mario
