**Subject:** Northern aquaculture tuna fish farms

Dear Hon Muscat

We the undersigned refer to the Northern coastal and marine aquaculture waters and specifically to the code of good practice in this area as determined by the Strategy for the Maltese Islands 2014-2025, which highlights the environmental and development frame work for a sustainable growth.

We are hereby requesting that the Northern aquaculture fish farm areas are put as an item for discussion in the next Parliamentary Committee's meeting.

Regards

Hon Dr Godfrey Farrugia

Hon Dr Marlene Farrugia
