PRESS RELEASE BY THE OFFICE OF THE SPEAKER

Speaker Farrugia participates in a Parliamentary Conference on the World Trade Organisation

Speaker Anglu Farrugia represented the Commonwealth Parliamentary Association (CPA) in the 42nd Session of the Steering Committee of the Parliamentary Conference on the WTO, in Geneva. The parliamentary conference was organised jointly by the Inter-Parliamentary Union and the European Parliament.

Addressing the Steering Committee of the Parliamentary Conference on the World Trade Organisation (PCWTO), the Speaker said that this parliamentary conference should take challenges further by exploring the possibility to better align the Parliamentary Conference agenda with that of the WTO Ministerial Conference, with a view to informing the WTO Ministerial Conference of the parliamentary perspective and mobilising parliamentary action.

Speaker Farrugia said that the Commonwealth Parliamentary Association also feels that it should have a role within the Commonwealth Heads of Government Meeting.
