PRESS RELEASE BY THE OFFICE OF THE SPEAKER

Mr Speaker receives Ambassador of Belarus

This morning, Speaker Anglu Farrugia received Ambassador of the Republic of Belarus Aleksandr Guryanov.

The two dignitaries referred to bilateral relations between Malta and Belarus, which were established on 16th February 1995, and agreed that these should be strengthened through further co-operation between the two countries.

They mentioned trade exchanges which have been rather insignificant, except for the years 2012-2103, and said that every effort should be made to enhance trade and commercial relations for mutual benefit.

Cooperation at Parliamentary level also featured in the discussion.

Ambassador Guryanov was accompanied by First Counsellor of the Embassy of Belarus, Rome, Anatoly Glaz.
