Subject: State of the Environment Report

Kollega,

Hope this email finds you well.

As per Cap. 549 Article 31 (b) I am obliged to refer the State of the Environment Report to the Standing Committee on the Environment and Development Planning.

Since we have tight deadlines according to law, could you kindly schedule for the discussion to take place in the week starting 22nd October?

Thanks & regards,

Jose

Jose Herrera
Minister
