Ms Brincat

I refer to your email below. The objectives for the review of the Policy were received on the 11th May 2018. A Technical Team was setup between the PA, ERA and REWS. On the 26th June the objectives were issued for public consultation for a period of 3 week. Comments were received from Ramblers Association, Moviment Graffiti, Flimkien Ghal Ambjent Ahjar, GRTU and a private individual. On the 14th August the first draft was circulated to the relevant Authorities. These included AAC, OHSA, CPD, EWA, TM and Environmental Health. Comments received by ERA, EWA and the AAC. CPD requested an extension of time to submit their comments after a meeting held with the technical committee.

A finalised version has been referred to the Executive Chairman last week and will be discussed next Tuesday, following which the revised policy will be issued for public consultation for 6 weeks. Following this period the Executive Council will review the submissions a final opinion will be referred to the Minister for his endorsement. Should any major changes from the draft policy take place another public consultation process will be initiated.
